LE JEU DES ATOUTS

Les Granges des Papes

CHÂTEAUNEUF-DU-PAPE

Les Granges des Papes is a selection of grapes from our partner estates and our winegrowers. The barns were built during the sixteenth century throughout the southern Rhone Valley to shelter the food of the popes. Located in the heart of a famous pebble terroir, the vines of this Châteauneuf-du-Pape give birth to an exceptional wine.

Les Sources de Montmirail

GIGONDAS

In Gigondas, wine is a thousand-year-old tradition since ancient times, wine storage tanks have been carved from the limestone of the Dentelles de Montmirail. The medieval village of Gigondas is also known for its springs, symbol of purity and renewal. The virtue of its particularly renowned healing waters made it a very fashionable spa resort in the 19th century.

Les Roches des Dentelles

VACQUEYRAS

Les Roches des Dentelles is dedicated to the Vacqueyras Cru in the southern Rhône Valley. Benefiting from a privileged setting at the foot of the Dentelles de Montmirail, these wines have a real climatic advantage, as well as a terroir rich in garrigue and pebbles. In Vacqueyras, the weather is warm all year round, allowing the pebbles to redistribute the heat to the vines throughout the night.

- A sought-after, mineral white wine

R serve des Chastelles

TAVEL

On the hillsides bordering the right bank of the Rh ne between the Pont d'Avignon and the Pont du Gard, nestles an exceptional terroir... 'Tavel'. This compound soil of lauzes, pebbles, sand and gravel, has given rise to a unique wine dedicated to ros . Grape-growing was introduced by the Greeks and developed under Roman rule. Both civilisations left their mark on Tavel.

La croix de Gaspard

CROZES-HERMITAGE

Born on the slopes of Crozes-Hermitage, its name pays tribute to Chevalier Gaspard, a figure of courage and introspection whose spirit still watches over these hills. Symbolising the balance between heritage and modernity, La Croix de Gaspard is the card you play to win the game: a pure expression of the northern Rhône.

LE JEU DES ATOUTS

Rive de Malva

SAINT-JOSEPH

Rive de Malva pays homage to the ancient name of Saint Joseph in the Middle Ages: 'Vin des Mauves', from the Latin Malva. Benefiting from a very special exposure on the right bank, this cuvée with its granite terroir will delight your palate. Victor Hugo wrote in Les Misérables when the bishop of Digne gave Jean Valjean a drink: 'My brother made him drink a little of this good Mauves wine, which he does not drink himself because he says it is very expensive'.

- **Red:** Powerful, spicy and tannic
- **White:** Fruity, powerful and mineral

LE JEU DES ATOUTS

LES COMBELLES

The word Combelles derives from combe, meaning 'valley', and belles, evoking picturesque and harmonious valleys. Combelles refers to several of these small valleys in the Rhône Valley, renowned for the diversity and richness of their terroirs and climates. These valleys offer ideal conditions for growing vines, giving rise to authentic wines that reflect the uniqueness and history of the region.

Les Combelles symbolises the perfect blend of nature, tradition and winemaking expertise.
